2024 Parent Payment Arrangements – Year 1

Dear parent/carer,

Lancefield Primary School is looking forward to another great year of teaching and learning and would like to advise you of Lancefield Primary School's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

We want to thank you for all your support, either financial or volunteering your time. This has made a huge difference to our school and the programs we can offer.

The environment and resources that we enjoy at Lancefield Primary School represent the contributions made by our parent and carers. Parent/carer voluntary contributions make significant difference to the quality of our programs. This financial support ensures that we can continue to provide the excellent range of facilities and resources for your children for example:

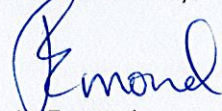

- Provide high quality programs and specific subject materials and equipment for English, Mathematics, STEM, Art, Topics, Auslan and PE;
- Maintain sufficient class sets of books for students to develop their reading skills including phonics program;
- Provide online learning subscriptions as well as Oliver library system;
- Arrange for student supplies and class bulk supplies;
- Develop our Wellbeing School Wide Positive Behaviour approaches including Kimochis;
- Maintain our high quality, bespoke SAKG Prep-6 program.

Please find attached Lancefield Primary School's voluntary financial contributions schedule for 2024 which includes an overview of what your contributions will help us to provide. In 2024, student/classroom supplies will be provided for each year level/class rather than individual student packs. Providing resources in this way reduces wastage (supplies are ordered taking stock on hand into account). We have worked very hard to keep costs down as compared to previous years to reduce financial burden on families.

We invite families to make a voluntary financial contribution and indicate on the attached schedule how much you would like to contribute. The school office will be open on Monday 29th January 2024 between 9am – 11am for families to make contributions if they wish, collect student contact details information for updating, submit forms eg. Bus travel.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Jo Emond
Principal

Sally Soper
School Council President

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
